Mini Balkabağı Feneri: Küçük Sırıtış

30 parça · 4 renk · 31 adım · ~2 sa baskı

CC BY-NC-SA 4.0 · Kişisel kullanım için ücretsiz · Ticari kullanım izne tabidir

Başlamadan önce

Baskı

3MF dosyasını Bambu Studio'da açın: tüm parçalar renk renk tablalara yerleşmiş durumda. Bambu Lab A1 ve 0,4 mm nozul için ayarlı, sıkı geçme.

Adımları okumak

Her adım modeli yandan (solda) ve tepeden (sağ üstte) gösterir: takacağınız parça tam renkli ve turuncu çerçevelidir, öncekiler soluktur; sağ alttaki turuncu kutuda parçanın resmi ve adedi vardır. Ön montaj adımları önce elde, ters çevrilmiş olarak kurulur; ardından gelen Grubu tak adımında biten grup tek parça gibi yerine takılır.
